

Your host **Barry Richards** invites you to join the **South African & Australian cricketers** for a Charity Golf Day in the beautiful Mother City

All proceeds of this special day will be shared between Youth Focus in Australia and The Jacques Kallis Foundation in South Africa.

Youth Focus is committed to making a difference in the lives of young people who are suffering from depression and those who see no hope on the horizon. They offer a range of free mental health services to vulnerable young people in Western Australia.

The Jacques Kallis Foundation aims to combine the academic and life skills programmes of existing school structures with the funding and mentorship from Jacques Kallis. In doing so, provide talented young cricketers from various backgrounds with the opportunity to reach their full sporting and academic potential.
