

Sport Legends Trust Golf Day

A unique organisation that maintains the well being of some of South Africa's greatest sporting stars

04 May 2012

*Sport Legends
Trust*

SPORT LEGENDS was initiated and founded as a forum for past provincial and international sports persons with a view to improving the quality of life of those friends less fortunate than ourselves – through communication and networking in sport. By way of various activities we wish to retain the camaraderie of the past thereby adding value and exploring commercial opportunities. The Trust Fund was set up to assist these sports persons and/or their families financially in times of need.

The Sport Legends Trust and their Chairman Bossie Clarke invite you to join them in supporting this worthy cause and spend the day with friends and legends!
